

Constitution Development

“Listeners, Not Talkers”

October 2011 Update

WHAT IS A CONSTITUTION ?

- It is a law of a Nation that defines and guides the nature, functions and limits of its leadership.
- It is a statement of the extent and limitations of power that we confer onto our leaders to make laws for the betterment of Our Community and Our Nation.
- Our Constitution will outline the collective will of the First Nation Members on how we wish to live and how we wish to govern ourselves.
