

# Community Meeting “Consultation Social”

Wednesday August 2/06, 6:00 pm at the  
Hillside School gym.

---

Community Constitution Development Committee (CCDC)

There will be a presentation by the CCDC members followed by a discussion and interaction component. The presentation includes the “draft” vision statement.

Significant community involvement in the visioning process has great value. It brings our community together to reach an agreement on the kind of future environment we would like to present to the next generation.

*There will be door prizes drawn for the community members that participate.*

Community Constitution Development  
Committee (CCDC)

*"Listeners, not Talkers"*
